

## DIRECTIONS TO CAMP ANOKIJIG

- Take **Interstate 94** North through Milwaukee to **Interstate 43** North to Green Bay.
- Take the **WI-57 N** exit (exit number 97) on the left, towards Plymouth. ○ *(Do not take the first Route 57 exit on the near north side of Milwaukee. The exit is farther north about 20 miles and is on the left.*
- Continue on 57 to **County Road J** just past the town Plymouth and the underpass for Route 23. There will be a Farm and Fleet on your left side as you enter Plymouth.
- Turn Left onto **County Road J** and continue for approximately 1 mile.
- Turn right or North on **County Route E**. It's easy to miss, *so keep an eye out for a worn out sign on the left about one mile up the road.* Turn left or west into entrance and follow the road into camp.
